The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

FUNERAL ARRANGEMENTS

Please note that our fee for overhead and basic professional services is \$2875.00. This same fee shall be added to the total cost of your funeral arrangements if you provide the casket. Our services include, but are not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; placement of obituary notices; planning of funeral arrangements; and coordination of service with cemetery, crematory, vault companies and others as required. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, and equipment and inventory expenses. (This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

The caskets range in price from \$995.00 to \$6595.00. There are 33 caskets, and they are listed separately on the casket price list. A complete price list will be provided at the funeral home. These are the caskets we normally offer. However, we at all times offer a full range of colors, styles and prices. Because some caskets take up to four weeks for delivery, all caskets are not always available.

For such arrangements, formaldehyde-based embalming is prohibited as is the use of metal or concrete grave-liners, burial vaults, or other permanent burial containers. Caskets, coffins, or alternative containers used to enclose and transport the dead are made of bio-degradable materials and are available in a range of prices. Home wakes, public visitations, church funerals and graveside services are options that may be arranged within the limited time-frame green burial allows.
